Merchants Offer Free Cash Drawing Saturday

\$25.00 In Cash To Be Awarded To Holders Of Lucky Numbers

Santa Claus Will Be In Town Too

The first of two free cash drawings for \$25 on each of two Saturdays by the Grayling Business Association will be held this Saturday afternoon on the Court House lawn.

All the lucky winners need have is the number in the front page of this week's issue of the Grayling County Avalanche. If the number drawn is the same as that in the copy of the newspaper which you have, you'll win some free money.

The two cash drawings are but only one of the many phases of an all-out pre-Christmas promotion by the Grayling Business Association. The promotion actually got underway on Thursday, November 19, when a mailbox was placed at the Michigan Avenue in front of the Grayling State Bank where the kiddies could mail their letters to Santa Claus. The mailbox will be at its spot throughout the Christmas season and every letter mailed in it will be opened by Santa Claus. A few people have already mailed their letters, and a clip enclosed which may be filled out for the child and deposited in a box available in each place of business belonging to the association. The child may win a really fine gift.

On Saturday, December 19th the merchants will present free money for the kiddies at the Grayling American Legion Hall in the afternoon. This will give mom and dad a chance to do some Christmas shopping while the children are being entertained and a safe place.

Also on Saturday, December 19th Santa Claus will make his drawing from all of the tickets deposited in the boxes which Santa had been handing out to the kiddies. The tickets after being properly filled out are to be placed in boxes provided in all of the participating stores. All of these will be collected and from them, one lucky boy or girl will receive a really fine Christmas gift.

Named to the various committees to handle the many events of the Christmas season are: Santa's arrival, William Mosher; Santa's tickets and cartons, John Latuszek; Santa's letters will be taken care of by Santa; Santa Claus Bargain Days, James Forbes; cash drawing, Leon Roberts.

Indian River Girl Is Still Unconscious

Miss Jean Dickerson, 19, of Indian River, was still in critical condition and in a coma at Saginaw General hospital where she was taken last Wednesday following an auto accident.

Miss Dickerson, daughter of Mr. and Mrs. Harper A. Dickerson, underwent brain surgery at the hospital following the two-car crash on M-76, about 9 1/2 miles south of here.

Crawford County Deputy Sheriff Art Clough said Miss Dickerson was traveling north on the road when her car went off onto the shoulder, got back onto the pavement, spun out of control and ran into a southbound car in the rear end.

The driver of the other car, Archie Nesbit, 51, of Detroit, was taken to Grayling Mercy hospital where he was reported in good condition. He suffered a broken rib, cuts and bruises.

Miss Dickerson and Nesbit were both alone in their cars. A sophomore at Eastern Michigan University at Ypsilanti, she was returning home for the Thanksgiving Day holiday when the accident occurred.

Miss Dickerson, who also suffered a broken leg in the crash, was taken to Grayling Mercy and then transferred to Saginaw General.

WOMAN'S CLUB PLANS GIFT COLLECTION

The Grayling Woman's Club is planning to send a collection of gifts to the Traverse City mental hospital on December 10th. They are suggesting that perhaps non-members may be interested to send something to the patients who may be one of the many with no relatives, who consequently are not remembered at Christmas-time. There are many useful gifts such as head scarves, handkerchiefs, cosmetics, paint-by-number sets, socks, or embroidery which you may have received and do not need for yourself, which would be greatly appreciated. Any one interested to send such gifts may give them to any Woman's Club member, or contact Mrs. Joseph Hull, who is chairman of the committee handling the gifts.

Name First Local Christmas Seal Buyers

First voluntary contributions in the 1959 Christmas Seal Sale were received last week by the Michigan Tuberculosis from residents of Grayling.

"Christmas Seals, which have been fighting TB since 1907, are working even harder today to increase the effectiveness of Michigan's TB control program," said Dr. C. Stringer, president of the Christmas Seal association.

"While advances have been made in the reduction of the death rate from TB, the number of new cases reported each year (around 5,500) remains a fairly constant. This means tuberculosis is still not licked."

Dr. Stringer urged all local residents to mail their Christmas Seal contributions early. Accordingly, the first 100 residents to mail their Christmas Seal gifts this year are as follows: Marion Butch, 702 Park Street; Joseph Cinciala, 608 Cedar Street; Eben File, 208 Panhandle Avenue; Mrs. G. Gohro; Sam Gust, 205 Alger St.; Mrs. Pearl Hedrick, Box 263; Clifton Jacobs, 608 Ottawa; Mrs. Lula Kesseler, 207 McLellan St.; Mrs. J. L. Martin, 709 Maple St.; and Miss Frances May, 305 Park Street.

Pioneer County Resident Laid To Rest On Monday

Hugo Schreiber, a pioneer resident of Crawford County, passed away suddenly on November 27th, at the age of eighty.

He was born at Jackson, Michigan, May 24, 1879, the second of seven children born to Mr. and Mrs. Hugo Schreiber, Sr. He came to Crawford County at the age of 12, where he lived for 47 years. He was a member of the Lutheran Church at the Stephan Bridge. He attended what is now the Feldhauser School.

In 1900 he married Lillian Funck, who passed away February 2nd, 1957. In 1901 they purchased a farm in South Branch Township where they lived until 1934. From that time until 1951 they served as caretakers of the Rainbow Club on the main stream of the AuSable river. They then moved to their new home just north of the Stephan Bridge, where Mr. Schreiber lived until six weeks ago when he went to live with his son-in-law.

For over fifty consecutive years Mr. Schreiber held public office, feeling that it was his civic duty to do so. Among the township offices he held in South Branch were treasurer, supervisor, and justice of the peace. He served many years as a school board member of the Funck school, and when the school of South Branch Township were consolidated he served as secretary of the board until moving away in 1934. He served on the Crawford County Poor Commission, and later when it was reorganized, and on the Welfare Board for over twenty-five years, resigning in 1957.

Mr. Schreiber was a charter member of the Crawford Grange and was active for fifty years.

Surviving are three daughters: Mrs. Andrew McGuire of Flint, and Miss Eunice Schreiber of Muskegon Heights; one son, Albert, of Grayling; two brothers, William of Dearborn and Herman of Baraboo, Wis.; two sisters, Mrs. William Christenson and Mrs. Frank Serven of Grayling; seven grandchildren; and seven great-grandchildren.

Funeral services were held at two o'clock Monday afternoon at the Michigan Memorial Church, with the Rev. R. C. Puffer officiating. Mrs. Norval Stephan sang "Rock of Ages," and "Peace, Perfect Peace." She was accompanied by Mrs. T. P. Peterson. Interment was in Pioneer Cemetery, South Branch Township, with grandsons Andrew, Jr., Eugene and Leo McGuire of Flint, Calvin and William Schreiber, Clayton Hildebrandt and Laurin Wing serving as pallbearers.

Those from out-of-town here to attend the services were: Mr. and Mrs. Andrew McGuire, Mr. and Mrs. J. A. McGuire, Mr. and Mrs. Eugene McGuire, Mr. and Mrs. Leo McGuire, Mr. and Mrs. Frank McGuire, Mr. and Mrs. Rufus Edmunds and Everett Corwin, all of Flint, Mr. and Mrs. Louis Funck of Blanchard, Mrs. Mary Hein of Edmore, Mrs. Elmer VanNatter and Mrs. Ernest Corwin of Cadillac, and Miss Eunice Schreiber of Muskegon Heights.

Clash With Whittemore-Preseott Here Tuesday

Grayling defeated Whittemore-Preseott here Tuesday night in their opening game, 81-35. The Vikings reserves lost a heart breaker, 30 to 28. Other conference teams opening their season Tuesday night are: Potoskey St. Francis 39, Harbor Springs 89, Charlevoix 71, Gaylord 31, Potoskey 32, Boyne City 35.

The Grayling Vikings, after opening their 1959-60 basketball season here Tuesday night against Whittemore-Preseott, travel to Gaylord Friday night of this week to take on the Blue Devils in the initial contest of conference play. The same night Boyne City will be at Charlevoix, Pellston at Harbor Springs and East Jordan at Mancelona.

Viking mentor Bruce Smith is expected to start the same quintet as took the floor for the opening game Tuesday night. That is Frank Gross and Gary Springs at forward, Jack Hull at center and Roger Hatfield and Joe Robertson at guards. Others who will probably crack the lineup during the game are Bill Heath, Dick MacLeod, Jim Sorenson and possibly Curt Smith and Allen Stewart. Grayling will probably field the tallest group at the conference this season with Hull at 6-6, Springs 6-4 and Gross 6-2. The Viking starting five average about 6-2.

Coach Jim Mongeau at Gaylord will utilize the services of regulars Bob Burnison and Roger Walker along with those of letterman Roy Wolf, Terry Cremins, Hugh Campbell, Bob Norio and Dave Raab in determining this year's lineup at Gaylord.

Bill Brighton who has taken over as basketball coach at East Jordan finds himself with four regulars from last year's squad. They are forwards Larry Hayden and Louis Kraemer, and guards Mike Kowalske and Larry Drenth with Hayden at 6 ft. and Kraemer at 6 ft. 1 in, giving the group a little more height than the Jordanians have boasted in recent years. Letterman Richard Kraemer who is 6 ft. 3 in. will be a candidate for the center position and Bill Taylor, Bob Bulow, Basil Morgan and Gil Redmer, all of whom are six feet or more will be vying for starting assignments.

Coach Jake Schurmann at Mancelona boasts three veterans among the 36 players out for the sport. They are Jerry Bangson, junior forward, who will be returning to the sports arena after recovering from a shoulder injury suffered last in the softball season, Walt Klein, a guard and Fred Meers, 6 ft. 2 in., senior center. Letterman Tom Moeke and Bill Klein will be strong contenders for starting assignments as will Jerry Prudden, a senior center and a transfer from Dimondale who is a limited action late in the season last year.

Coach Don Carey at Charlevoix will build his squad around Joe Beaudin, a 6 ft. 2 in. forward, Charles Coleman, another forward and Dave Schuchard, a guard. Letterman Bruce Pease, Dick Van Raaphorst and Jim LaMotte along with Bud Balch, Stan Smith, Ralph Brock and John Martin who saw limited action last season will form the basis of this year's lineup.

Coach Paul Pfahler at Boyne City has two forwards returning, Mike Kane and Tom Christenson.

LEAKOWSKI MACKOWIAK VOWS SPOKEN

St. Mary's church was the scene of the marriage of Miss Charlene Ann Lenkowski, daughter of Mr. and Mrs. William Lenkowski of Lake Margrethe, and Mr. Raymond F. Mackowiak, son of Mr. and Mrs. Andrew Mackowiak of Gaylord on Saturday, November 21. The Nuptial High Mass was read by the Rev. Fr. Joseph Sadowski at 11 a. m. before some two hundred guests. Baskets of white chrysanthemums banked the altar, and a white carpet covered the center aisle. Music was provided by St. Mary's adult choir.

A floor-length gown of Alencon lace was the bride's choice. The fitted bodice featured a scooped neckline and pointed sleeves. The skirt was made up of six lace panels. Her fingertip length veil fell from a seed pearl tiara. She carried a cascade bouquet of white roses and pink feathered carnations.

Miss JoAnna Penfold of Saginaw was the maid of honor, and Miss Shirley Shubert of Royal Oak was bridesmaid. Both girls were attired in candlelight satin sheaths with lace midriffs and sunburst beaded headbands with veils, and they wore to-match satin slippers. Miss Penfold carried a colonial bouquet of yellow and bronze Fuji mums. Miss Shubert a colonial bouquet of yellow Fuji mums.

Mr. John Fuller of Grand Rapids was best man. Dick Shields and Lyle Metzger of Gaylord acted as ring bearers.

For her daughter's wedding Mrs. Lenkowski chose a candlelight brocade suit with brown accessories. Her corsage was of bronze and gold mums. Mrs. Mackowiak wore a blue plaid suit with navy accessories, and a corsage of white mums.

After the ceremony a wedding breakfast was held for the wedding party and immediate family at Shoppenagons Inn.

For the honeymoon, the new Mrs. Mackowiak chose a lambs-ear collar black wool knit walking suit with leather accessories. Following a trip in southern Michigan, the young couple will be at home at 204 Burton, S. W., Grand Rapids, while awaiting occupancy of their home at 282 Blackburn, Grand Rapids.

The bride attended St. Mary's of Gaylord, Grayling High school, and Marywood Academy of Grand Rapids. Her husband also attended St. Mary's of Gaylord, and Aquinas College, Grand Rapids.

Guests in attendance at the wedding were from Ann Arbor, Unionville, Detroit, Royal Oak, Flint, St. Ignace and Gaylord.

State Cash Crisis Doesn't Slow Up State Highway Department's Work

Michigan's Dollar Pinch Has curtailed functions of many state agencies. But the Highway Department is a lone exception.

The very thing that has been the curse of the state cash crisis has been the blessing of road building: earmarking of funds.

A constant flow of tax money has been available for highway construction.

Gasoline taxes and weight tax money from the sale of license plates have poured into construction.

There were constitutional earmarking provisions that have hampered administrators in rationing of funds have helped create a reserve of money for the Highway Department.

Earmarked funds alone are not enough.

A half-billion dollars from the federal government, either on hand or promised, has helped the state's Commissioner, John C. Mackie's five-year building program.

More millions come from bond programs backed up by money anticipated from future gas and weight taxes.

Michigan's success in carrying out its ambitious road program is bringing some jealous glances from neighboring states. The state's highway program is the "right of Michigan industry to their cities."

Newsmen from Indiana and Ohio were along when the Highway Department and the state's road building industry took reporters on a flying tour of Michigan highways.

The South Bend (Ind.) Tribune is raving about Michigan roads, noted Mich. who have opened to traffic more than 350 miles of super highway by January 1st.

Indiana, the paper reported, completed only 6.6 miles of interstate highway by August 31st.

All is Not Rosy for the Highway Department despite its accelerated building program.

An accelerated pay program for eight-of-way appraisers drew the fire of an investigating committee headed by Sen. John W. Stahlin (R-Belding), who said the department has been luring workers with promises of pay raises every pay-day until they reach top salary brackets.

The department said the accelerated pay play, approved by the Civil Service Commission, was necessary to get qualified personnel.

Biggest worry facing the Highway Department is the 700-million dollar federal highway program. It has meant a 29-million-dollar cut in federal funds for Michigan this fiscal year.

But Mackie hopes to fill the gap with bonding programs built now, pay later. It's the obvious

His position on the commission will not be one to foster political activity. But Democrat Bill Warrington, Marquette County Prosecutor since 1954, will be handy if Democrats need state ticket candidates in the years ahead.

A Big decision looms for Michigan to the tune of 25 million dollars.

That's about how much Michigan Bell Telephone Co. would like in new rate increases.

The rate case, started early this year, is expected to bring a decision in December.

A Powerful Foe of constitutional conventions and senate reapportionment has played his hand. Resolutions opposing both were adopted at a Michigan Farm Bureau meeting.

The Republican drive, backed by liberals in party, for a constitutional convention and the senate reapportionment can expect a fight from the farmers.

Citizens For Michigan, the "grassroots" force, is backed by George Romney to find an effective solution to the state's tax crisis, is likely to be in and out of the news for a long period.

The committee has already held several meetings and recruited some active civic leaders. The next step is to organize local chapters and study committees who would meet and collect information and recommendations.

These groups will cover the areas: the need for state service, the efficiency and quality of those now in existence; a method of measuring the economic vitality of governmental organization, including the state constitution; the impact of recommendations on state operation, economic climate and economic growth.

Romney expects to have a press dealing with these problems in fall of 1960, early enough to supply issues for the election in November.

GREAT OAKS FROM LITTLE ACORNS GROW

Just as great oak trees grow from little acorns, so do fine, big industrial plants have humble beginnings.

As with that sturdy oak, many things happen before a small plant becomes a large one.

The oak tree depends on favorable soil and weather during its early years. Our town, if it is to have good industrial payrolls, must provide a good climate for industry.

Climate for industry boils down to how present industry is treated. Good climate for industry makes our town grow stronger.

Good industrial climate helps small industry, like good climate helps the oak tree. And it attracts new industry.

Join hands with your local industrial development organization and the Michigan Economic Development Department to help your community prosper.

From where I sit... by Joe Marsh

**Junior's Name was
"MUD"**

Red Jackson's seven-year-old Junior, was passing by the local beauty parlor the other day. He looked in the window and saw a lady with one of those mud packs on her face. Busting with curiosity, he walked in and asked her why she had all that stuff on. The lady was taken back for a moment but politely answered, "It's to make me look pretty."

From where I sit, count on children to tell the truth—sometimes, the embarrassing truth. Maybe we adults could use more of that. For instance, maybe we ought to admit that tolerance "doesn't really work" until we eliminate all our intolerances—even to respecting a neighbor's right to enjoy a quiet glass of beer. Good neighborliness begins when intolerance ends... and, in truth, we all ought to work towards that end.
